Healing the Man with the Withered Hand – Luke 6:6-11

Jesus went to the synagogue to teach people about God.

The synagogue was the place Jewish people would go to worship God.

It was the day of rest, and a lot of people were at the synagogue that day.

One of those people was a man whose hand was hurt.

Some of the leaders did not like Jesus. They wondered if Jesus would try to heal the man with the hurt hand.

Jewish people did not do any work on the day of rest. Was healing the same as doing work?

If Jesus healed the man, would he be breaking the law?

Jesus knew the leaders were watching.

He invited the man to stand up. "Is it against the law to do good on the Sabbath?" Jesus asked.

The Sabbath was the day of rest.

Jesus healed the man's hand. This made the leaders even angrier with Jesus.

Bible Passage: Luke 6:6-11

Wonder: After reading the Bible story from the Bible or from the *Celebrate Wonder Bible Storybook*, wonder together. **Ask:** Why do you think they were angry with Jesus?

Do: We can pray for others. Make a list of people to pray for, and pray for them as a family each day.

Pray: Dear God, help us care for the people in our community. Amen.
