

Getting Started with Trinity's RaiseRight Program

TRINITY WEB SITE

Go to the Trinity website (Trinitymp.org). Select the RaiseRight selection from the "Give" top menu.

This will bring up the ShopWithScrip webpage. This explains the program and includes key links.

RaiseRight

RaiseRight™

Shop with Scrip has changed its name to "RaiseRight." We have gift cards for over 700 online and physical businesses – discount and department stores, home improvement, electronics and office, gas and auto, grocery, clothing, health and beauty, restaurants and fast food and more. Not sure what someone wants – give a card for broad online shopping – Amazon, Walmart, Target or Visa.

Simply download the order form from this page to make your choices, and mail it in with your check, drop it in the metal Scrip box in the Narthex, or simply order cards online. (We will personally deliver the cards to you at church or at your home.)

For additional information, see the church narthex display or contact [Beth Carroll](#) (Scrip Coordinator) or [Lloyd Unger](#) (Trinity Treasurer).

Order forms can be downloaded below. Other RaiseRight retailers shown online can also be added.

To download a paper order form, [click here](#).

To enroll on line at [RaiseRight.com](#), first obtain the Enrollment Code from the Scrip Coordinator or the Trinity Treasurer. Then [click here](#).

To download a tutorial on online RaiseRight enrollment and shopping, [click here](#)

Deliver order forms and checks to the Trinity Scrip Program box in the Narthex or to Beth Carroll, our coordinator.

Gift card orders are delivered to your home, or are delivered at Church on the third Sunday of the month.

Trinity's SCRIP Program is back with more options!

In the center of this page are several links, providing key forms, documents and direct navigation links.

The first link ("paper order form") will bring up a 2 sided paper order form PDF for physical gift cards (sample below). These forms must be dropped off in the Narthex Scrip box with attached checks. These requests will be part of the monthly church order of physical gift cards.

The second link (“enroll online”) will navigate the user to the RaiseRight site and position you to register as a Trinity participant. In order to register, you must first receive the Trinity enrollment code, so you can enter it. The third link (“tutorial on online RaiseRight enrollment and shopping”) provides access to this document.

RAISERIGHT REGISTRATION

You can register as a user on the web or with the RaiseRight mobile app. The following examples show registration on the internet using a PC web browser, starting at login.raiseright.com

At the top of the RaiseRight page will be a Sign Up button to register (first time user) and a Sign In button (established user). All new Trinity users will use the(left) Join an existing program process, entering the Trinity program Enrollment Code, and clicking on “Join a Program”.

Join or Start a Program Today

Join an existing program

All you need is your organization's unique enrollment code. If you don't know your code, you can ask your program's coordinator.

Enrollment Code [What's an enrollment code?](#)

Join a Program

OR

Start a new program

If your organization is ready for a better way to fundraise, you've come to the right place. For more information on gift card fundraising, visit [RaiseRight.com](#) or call a New Program Advisor at: 1-800-727-4715, Option 4.

Start a New Program

This will bring up a series of registration pages. (If you have received an email from Trinity inviting you to join ShopWithScrip, the link in that email may bring you directly to these Registration pages.)

The screenshot shows the 'Create your account' page. At the top, there are three navigation links: 'Create Account' (with a person icon), 'Sign-in Information' (with a pencil icon), and 'Account Security' (with a lock icon). The main heading is 'Create your account'. Below it, a sub-heading reads: 'We need some basic information to get you earning for Trinity United Methodist Church.' There are four input fields: 'First Name', 'Last Name', 'Who are you fundraising for? Name (optional)', and 'Classroom/Group (optional)'. At the bottom, there is a blue 'Next' button and a blue 'Back' link.

The screenshot shows the 'Sign-in information' page. At the top, there are three navigation links: 'Create Account' (with a person icon), 'Sign-in Information' (with a pencil icon), and 'Account Security' (with a lock icon). The main heading is 'Sign-in information'. Below it, a sub-heading reads: 'This information will be used for you to sign in to your account'. There is an 'Email' input field. Below it is a checkbox labeled 'Yes, send me emails when bonus earnings increase or when exclusive earning opportunities are available.' There is a 'Password (8+ characters)' input field with a 'SHOW' button. Below the password field is a 'Password strength' section with a progress bar and the text 'For a stronger password'. It lists three tips: 'Try a 3-4 uncommon word phrase that's easy to remember, ex. hungry car dance', 'Capitalization doesn't help much', and 'Avoid predictable patterns and substitutions, like 123@sdf'. There is a 'Confirm Password' input field with a 'SHOW' button. At the bottom, there is a blue 'Next' button and a blue 'Back' link.

Notes for completing this registration:

- Ignore the third and fourth questions on the first (Create your account) page. This is for schools where fundraising benefits individual students.
- You can invent any unique userid. We suggest either your last name plus your initials or your email address.
- The password (on the second Sign-in page) must be a strong password since this online account may contain credit card or bank account information. The password must be at least 8 characters long, and must include at least 1 uppercase letter, 1 lower case letter, 1 number and 1 special character (not "&", "=", or "%").
- Uncheck the Sign-In page checkbox if you wish to not receive promotion emails.

Welcome to RaiseRight

See how easy and convenient it is to earn for your organization by shopping with gift cards.

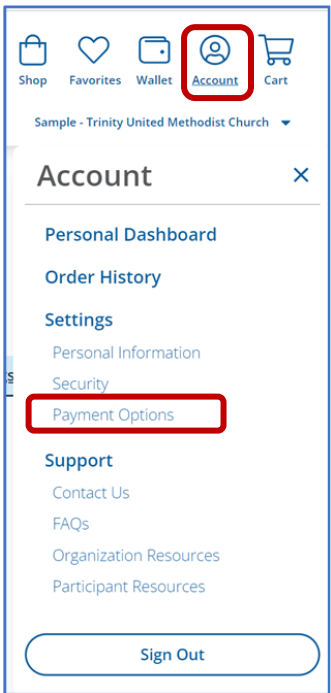

Let's Get Started

After verifying your phone, it will take you to the standard Sign-in page. This is the same page you use whenever you sign-in. After signing in, you will be taken to the RaiseRight home page. On the first time there, the small dialog box above will offer you a chance to go through an online introduction to RaiseRight.

PAYMENT OPTIONS

Orders using the paper order form must be accompanied with a check. Online gift card orders require online payments. This can be done by credit card or by electronic bank payment. We recommend using a bank account for online payments. An electronic bank payment costs \$0.29, whereas a credit card payment includes a 2.6% credit card fee.

In order to use electronic bank payment, the bank account information must be setup and validated in advance. Credit card information can be entered at purchase time and can be stored for repeated use.

Bank Account

Add your bank account for the most convenient and popular way to pay online.

- Immediately receive eGift cards and reloaded funds on gift cards
- Pay directly online rather than through your coordinator
- Only \$0.29 per transaction (vs. 2.6% with credit card)
- Secure setup via Plaid, protected by 256-bit encryption

Link a Bank Account

Credit Card

Credit cards can only be added during checkout.

Pay Coordinator Directly

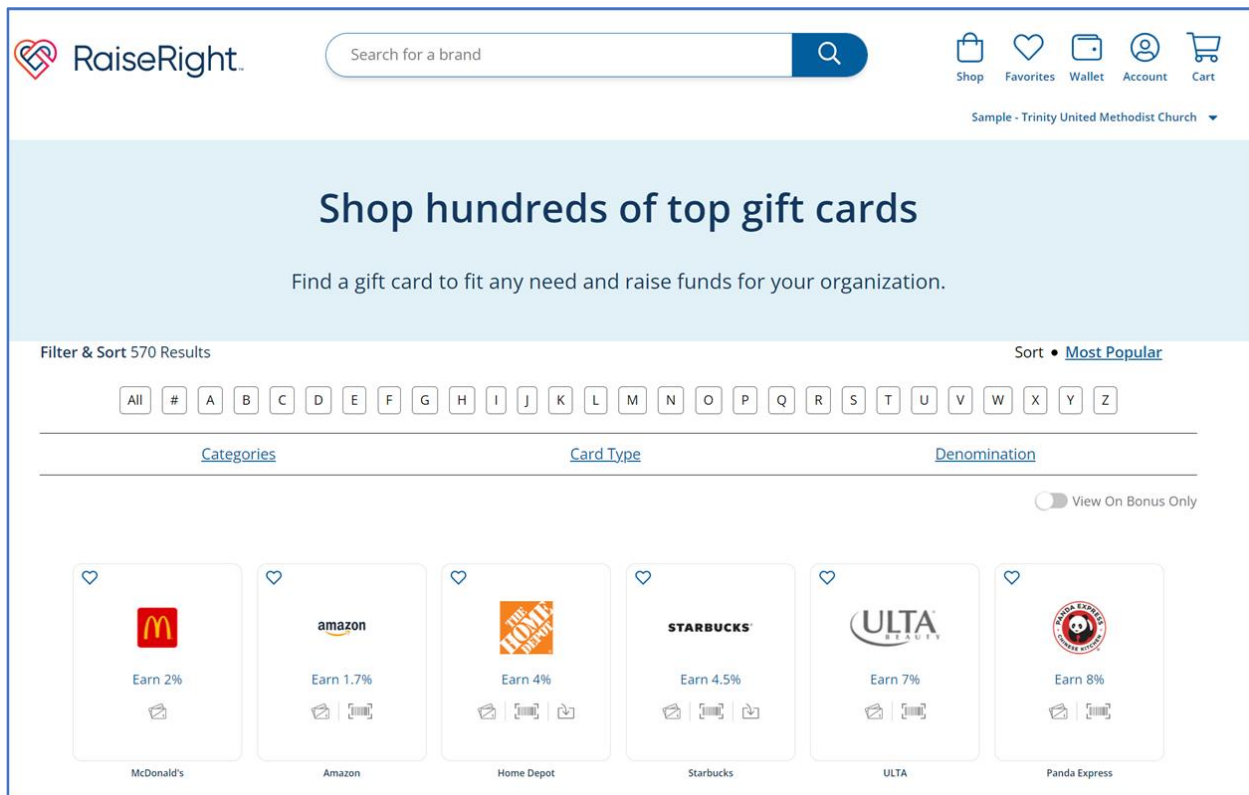

Pay your coordinator with cash, check, or a money transfer app.

Many RaiseRight pages have a set of menu choice icons in the upper right corner. The Account icon choices include Personal Settings, which includes Payment Options. Selecting Payment Options will display the Settings / Payment options page (below). This contains the “Link a Bank Account” button.

Linking to a bank account will be much easier if you already have online access to your bank and account. Otherwise, there is more information entry and a multiple day validation process. As noted on screen, credit cards are specified later - during the purchase checkout process.

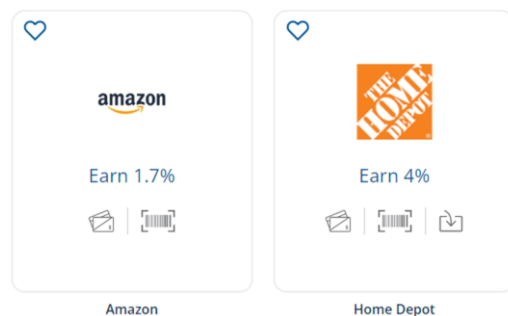

ONLINE SCRIP SHOPPING

After you have signed in, actual ordering of gift cards resembles most online purchases. In the upper left of the screen you will see your name and also a count of items already in your shopping cart.,. Selecting the “Shop” choice along the top of the screen will present the main shopping page (below).

The top of the shopping page provides a retailer search box. The middle section provides a variety of ways to filter the retailers. Retailer names can be filtered by the initial letter of the name using the letter buttons. Retailers can be filtered by business category, by type of card (physical / eCard / reloadable), and by card denomination. The slide switch can restrict the display to only retailers with temporary rebate bonuses.

On this main page, tiles of matching retailers are displayed (showing logo, name, rebate % and tiny icons for the types of available cards). The icon with 2 cards indicates physical gift cards. The icon with the bar code indicates electronic cards (eCards). The icon with downward arrow going into the card outline indicates reloadable cards. A heart in the upper corner indicates a favorite.

Available as:

Physical eGift Reload

Gift cards that are shipped to your organization, or mailed directly to you if ship-to-home eligible.

- Ship to home eligible
- Reloadable card

Card Amount: \$10.00 (dropdown menu open showing: \$10.00, \$25.00, \$100.00, \$500.00, \$1000.00)

Quantity: - 1 +

Earnings: 4%

Total: \$10.00

Add to Cart

When you see a desired retailer’s tile on the shopping page, click on that. The tile will open a single retailer page (like above). This page supports actual card purchases of each type, including selecting the details of the purchase.

Note that there are tabs corresponding to each type of card product. If you click on one of the small icons in the initial retailer tile, that corresponding tab will be the one initially selected when the retailer page appears. Selecting the correct tab is important and also changes the available purchase details to select. For electronic Gift Cards, you select the total denomination to purchase. For physical cards, you select one of the available denominations and then select the number of cards of that denomination.

Like most online sales websites, cards are purchased by clicking on “Add to Cart”. Purchased cards are collected in your shopping cart. When done shopping, click on the Cart icon in the upper right corner to review your selections and to arrange for payment.

The shopping cart page distinguishes physical cards and ScripNow eCards and also displays the rebate that your purchase will generate for Trinity. Make sure that you have selected the correct type of card since these are not interchangeable or returnable.

New users who have not yet set up payment will get a screen like below, because payment methods and terms need to be set up before the purchase can be completed. Note that the third payment option (“Pay Coordinator Directly”) is normally only used for paper order forms with accompanying checks.

The credit card choice will open an area for entering credit card (and credit card owner) information. 2.6% fee will be charged for credit card purchases. This information can be saved for future use, by checking a “Save Credit Card” checkbox (see below).

Review this screen carefully, and when completed and correct, select the “Continue to Confirm Order” button at the bottom. Prior to submitting, all selections can still be removed or adjusted.

All physical gift cards ordered online or by paper form are queued up for the periodic Trinity church order. These cards are picked up on Sunday at church, if they have not already been hand-delivered. Typically, the monthly order goes in just after the first Sunday of the month, and cards are available no later than the third Sunday.

The user can sign out of RaiseRight by selecting the bottom choice under the Account menu icon.

If you have any questions, contact Beth Carroll, the Scrip Coordinator, or Lloyd Unger, the Treasurer.
